

# St. Aloysius stays **PRAYED UP**

This year, St. Aloysius School will **STAY PRAYED UP!** Prayer has always been the foundation of our school, dating back to our humble parish beginnings and the faithful dedication of the Daughters of Jesus, who first laid the groundwork for our mission. That legacy of prayer continues today in every classroom, at every gathering, and in every heart within our school community.

Since 1956, our school has thrived because of the faith, generosity, and dedication of our parents, grandparents, alumni, business partners, and friends like you. You've shown what it means to be not only faithful in prayer, but also faithful in action. As we look ahead, we ask that you join us in both prayer and partnership.

**Your gift to the 41st Annual Appeal will benefit our current students, faculty, and staff, and those who will attend our school in the future. This year's funds will support:**

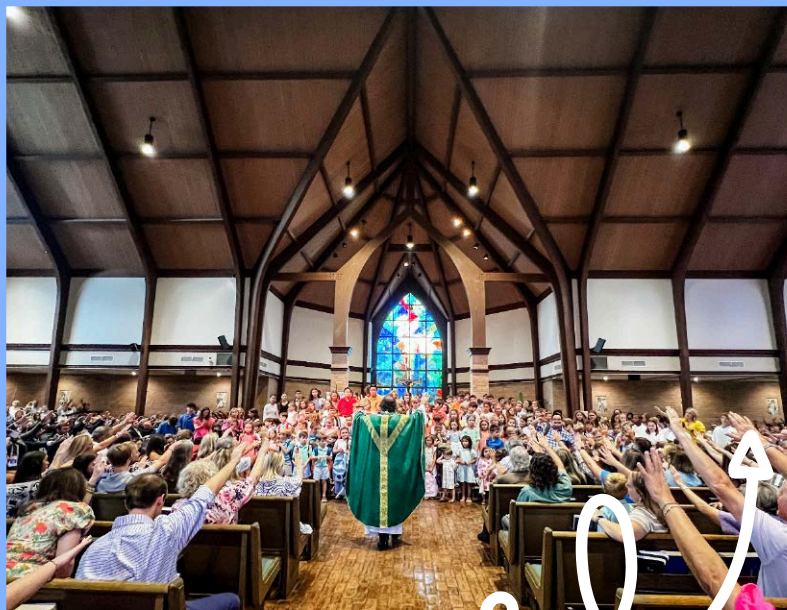

The purchase of curriculum enhancements and supplies, such as lab equipment, technology improvements, new books for our library, and supplies for our enrichment classes.

The growth of our Endowment Fund, which will continue the standard of excellence and rich legacy our community has come to expect and receive.

Special programming, including on-campus speakers, interactive presentations for students, and continuing education for faculty and staff.

As you stay prayed up, we invite you to also stay involved. Will you give today to help St. Aloysius continue the mission? We're praying with you, believing with you, and building with you.

*Let's stay prayed up—and stay faithful—together.
