

# ST. ALOYSIUS CATHOLIC SCHOOL

## Lion's Roar: August 29, 2022

Parents,

Our deputies have asked us to remind parents that cell phone usage in a school zone, including school parking lots, is strictly prohibited. For safety reasons, they have also asked that students remain completely in vehicles while waiting their turn to be dropped off for the school day. Students should not hang over windows or sunroofs. Thank you so much for ensuring that all of our students are safe during our morning and afternoon carpools.

Additionally, we have been contacted by the Southdowns Civic Association as they have received complaints from the neighbors about speeding, parking on grass, and overall congestion especially in the afternoon. If you can, please use the bus service or wait to arrive at carpool between 3:05-3:10; this will reduce your "wait time". We want to be good neighbors, so we appreciate you adjusting a few minutes in order for us to alleviate the current issues.

-Erin Candilora
