

School Supplies 2023-2024

School supply packs are purchased by the school and delivered to the classrooms before the start of school. These supply packs provide items to start the school year. Please note that consumable items such as pens, pencils, and loose-leaf paper may have to be replenished during the year. There are some additional items that are not included in the packs. These items **should be brought on the first day of school**.

We are thankful to our sponsors Sherman and Balhoff Orthodontics for providing the zipper bags and Cusimano Plastic Surgery and Sanchez Plastic Surgery for providing the student planners to students free of charge.
