

Frequently Asked Questions

Why do you screen applicants? What are you looking for during the screening?

In order to best meet the needs of your child, a screening provides additional information to properly place him/her in the appropriate class. Acceptance is not determined by the screening. This helps us with class placement based on student's needs.

Does it matter if I apply in December or January?

No, it does not. Applications are collected during this period and processed. Admission Committee meetings do not begin until after the deadline on Thursday, January 12, 2023.

Where can I find my Parish ID Number?

If you do not know your St. Aloysius Parish ID number, please contact the church office at 225-343-6657. Entering an incorrect ID number could result in the school receiving inaccurate information from the parish confirming your stewardship of offering and ministry.
