

School Supplies 2022-2023

School supply packs are purchased by the school and delivered to the classrooms before the start of school. These supply packs provide items to start the school year. Please note that consumable items such as pens, pencils, and loose leaf paper may have to be replenished during the year. There are some additional items that are not included in the packs. These items **should be brought on the first day of school**.

The school will no longer be selling items at the start of school. We are thankful to our sponsors Sherman and Balhoff Orthodontics and Angel Oak Home Loans for providing the zipper bags and student planners to students free of charge. In addition, bibles will be no longer need to be purchased by parents.

Calculators will no longer be sold at school and must be purchased individually.
