

Please see the link below for registration for basketball this upcoming season. All relevant links can also be found on our [athletics website](#) as well as below. Please register by **10/20** so we can have an accurate headcount. Also, please make sure to complete the [Medical History Google Form](#), if you have not already done so for a fall sport. Please do not submit a hard copy to the school as it could be lost. **Please make sure that parents and players have read and understood the CSAA Code of Conduct listed on the registration page.** The tryout/clinic schedule for each grade is listed below. Please note that to make a Varsity 6-8th grade team you must be present in at least one of the tryout dates. For our 3-5th grade, we hold clinics to try our best to make as even teams as possible. It is not mandatory to show up to the 3-5th grade clinic as we will place all registered boys on a team.

I have also included the online basketball store link which will initially close on **10/10** and may re-open at a later date. Please make sure to click on the appropriate sport when you go to the landing page. The only mandatory item is the long sleeve red warmup shirt if you do not have one from the previous year. The online store has some additional items available such as a backpack, shooter's sleeve and more if you would like to order. Please be aware of the uniform requirements below and our updated Athletics Handbook which can be found on our [athletics website](#).

**Basketball:**

*Undershirts (if worn) must be the same color as the uniform shirt.*

*Arm sleeves (if worn) must be purchased from the St. Aloysius Catholic School's Athletics online store.*

*Biking shorts (if worn) must be same color as short.*

*Leggings (if worn) must be solid white or solid red.*

*No jewelry.*

*Shirts must be always tucked in.*

If you have any questions please email any questions to [athletics@alloysius.org](mailto:athletics@alloysius.org).
