

School Supplies 2026-2027

School supply packs are purchased by the school and delivered to the classrooms before the start of school. These supply packs provide items to start the school year. Please note that consumable items such as pens, pencils, and loose-leaf paper may have to be replenished during the year.

We are thankful to our sponsors April Setliff at Red Stick Refinement and Sherman & Balhoff Orthodontics for providing the zipper bags. Thank you to Steven Brooksher at State Farm Insurance for providing the student planners free of charge.

There are some additional items that are not included in the packs. These items should be brought on the first day of school.
